Reading minutes must be validated DAILY by parents by 9am the following morning – either by online validation or by initialing this sheet and handing it in to the teacher. Final collection will be the morning of Friday, February 22. *Any days where the website or sheet are not validated/initialied by 9am the following morning will not count towards total reading minutes or tickets, although the reader can continue again on following days.* The top 2 readers in each class will be chosen as winners. There will also be 2 “wildcard” readers chosen at random from the ticket jar (the more time spent reading, the more tickets in the jar). The 2 top readers and 2 wildcard readers in each class will enjoy a Chick-fil-A lunch with the Headmaster and Grammar School Dean! The single top readers from both K-3rd grade and 4-6th grade will receive a book signed by the Grammar School teachers.
