Uniform & Appearance
Guidelines for K-12

PreK students are not required to wear a uniform

Dear Parents:

From its very founding in 1997, Covenant has always had uniform and appearance guidelines in place. These policies were established to nurture students with modest and disciplined characters, help them resist peer pressure, reduce friction between students over social status or popularity, and to promote a pleasant and orderly tone within the school. Our uniform policy helps to create an atmosphere where students and teachers can focus on learning rather than worrying about appearances.

Parents have an important role in helping to make our uniform guidelines a blessing to students and the school. Learning to abide by the uniform standard helps a student to learn humility by considering the interests of others. (Phil 2:3-4). Please help us cultivate a joyful and peaceful atmosphere by helping your student recognize apparel choices that may distract their classmates. (e.g. bright red shoes, untucked shirt, sparkly headband). Our goal is to minimize distractions so that our students can focus on the important work of learning to love to learn.

Please use this guide as a resource when you shop for your uniform items or when you have a question about how an item should be worn. We hope the pictures and descriptions will make our guidelines easy to navigate and follow.

Thank you!

Student Appearance Guidelines

1. All students will present themselves with an appearance that is characterized as modest, clean, neat, and not distracting. Where choices are given, please make sure the specific item (e.g. shoes, hair accessories, nail polish, etc.) does not draw excessive attention.
2. Hair must be kept clean and neatly combed out of the eyes. Unnatural (e.g., blue, pink, etc.) hair colors or hair styles deemed to be extreme by an administrator are not permitted. Facial hair should be neat and defined (not an unshaven look). Hair feathers, wraps, tinsel, and multi-color ribbons are not allowed. Girls may wear plain headbands or hair bands (no sparkles, logos, or beading, etc.) in a solid, neutral color or the school plaid.
3. Jewelry must be minimal and not involve pierced body parts with the exception of girls' ears. Boys are not permitted to wear earrings.
4. Grammar school girls may not wear makeup except for pale pink or clear fingernail polish and lip gloss.
5. All students are required to wear the Covenant approved uniform when in the school building between from **7:30 AM and 3:30 PM**. Students must enter the building in uniform.
6. School administrators are authorized to interpret and enforce these guidelines and to grant exceptions where needed.
7. A student who is found to be out of uniform will be given a warning and an "Out of Uniform Notice" will be emailed to parents. After the first notice, disciplinary action could include but is not limited to silent lunch, student not attending class until uniform problem corrected, parent conference, etc.
8. A student who does not wear the required "Covenant Best" uniform for a field trip or special school activity may be kept from participating in the activity.

Covenant General Dress Code Guidelines

2021-2022 School Year

We appreciate parents' understanding and support of the dress code and its enforcement since it often requires a subjective decision to be made by administrators and teachers regarding the appropriateness of an item. Due to changing trends and fads, Covenant may update these guidelines during school year.

How to Wear Uniforms

- Any student in the building after 7:30AM must be in their school uniform.
- **All uniform items should be labeled inside with the student's name.**
- Shirts must be worn tucked into the skirt or pants in such a way that the belt or waistband is visible. Recess and fitness classes are exceptions.
- Shirts may have, at most, the top button left unfastened.
- Undershirt/Undergarments: Students who wish to wear t-shirts under uniform shirts for warmth may do so provided they are a solid, approved uniform color. Only white t-shirts and undergarments may be worn under white uniform shirts.
- If a uniform item has belt loops, it is to be worn with a belt (students in grades 3rd-12th only).
- On extremely hot days, girls may remove jumpers during recess (*only* if wearing the approved fitness shorts).
- Jumper and skirts should touch the knee at the beginning of the school year. We understand that children grow and will make allowance for a jumper or skirt being slightly above the knee toward the end of the year. If your daughter experiences rapid growth, it may be necessary to replace the jumper or skirt during the year.

Socks and Shoes

- Covenant **does not** consider the following footwear acceptable for either Covenant Best or daily wear: moccasins or slipper-type shoes, deck/boat shoes, boots, light-up shoes, clogs or open back shoes, sandals or open toe shoes or canvas footwear (i.e. Toms).
- Sneakers must be predominantly or entirely white or black (no gray). No neon allowed on shoes or soles. No canvas, hi-top, or mid-top sneakers allowed (i.e. Keds, Chuck Taylors).
- Sneakers and dress shoes should have non-marking soles for indoor recess.
- Socks must be worn daily. All socks must be solid, approved colors and free of conspicuous insignias or designs.
- Shoes for grammar school girls should have little to no heel and a strap so that the students are still able to play at recess without trouble.

Miscellaneous

- Uniform items should be worn in clean and repaired condition.
- "Covenant Best" represents the basic uniform and may be worn every day. Parents need to only buy items listed under *Covenant Best and Fitness* to meet school requirements. However, for convenience and comfort, parents may elect to purchase any of the daily wear items.
- Covenant Best and colored daily wear option items must be purchased from FlynnO'Hara (FOH), or Lands' End (LE); white items in the *daily wear* list can be purchased from any source.
- Students may only wear non-uniform sweaters, jackets, etc. during recess or when a class meets outside.

Jeans for a Dollar Day: Students may wear blue jeans in good repair to school with a Covenant uniform shirt. No skinny jeans or jeggings.

Covenant Best Shoes

Covenant Best shoes for students in K-12 must be solid black, navy, or brown dress shoes. Shoes may be purchased from any store. They should be kept clean and in good repair. The following pictures represent a sampling of the types of shoes that are considered acceptable. Grammar school girls should choose shoes that are useful for play. Heels and shoes without straps make play at recess difficult.

K-9 Daily Wear Shoes

Students in K-9 may wear sneakers as part of their daily wear uniform. Sneakers must be solid or predominantly white or black (no gray). **No neon allowed on shoes or soles.** No canvas sneakers (i.e. Keds, Chuck Taylors).

Covenant does not consider the following footwear acceptable for either Covenant Best or daily wear: moccasins or slipper-type shoes, deck/boat shoes, boots, light-up shoes, hi-top or mid-top sneakers, clogs or open back shoes, sandals, or canvas footwear (i.e. Toms). All socks must be solid, approved colors and free of conspicuous insignias, designs, words, or popular culture.

The following pictures are a small sampling of shoes that would not be considered appropriate footwear at Covenant.

Fitness Apparel for Boys & Girls 4th-12th Grades

Covenant PE shirt to be ordered through the school in the summer. Students in 4th-12th grade should have this shirt for the first day of gym class. No other shirts are permitted for PE class.

Navy Mesh Shorts
(LE #470208)

Student's responsibility to purchase.

Grammar School: Mostly black or white sneakers - no gray. No neon on shoes or soles. (any source)

Upper School: A good running or athletic shoe. May be any color.

- On the first day of gym class, students will label their PE tee shirts with their last name for easy identification.
- Students may wear a solid gray sweatshirt or any Covenant hoodie or sweatshirt when gym class is held outside in cooler weather.
- Navy, black, or gray sweat or jogging pants. Pants may have a stripe on the “out-seam” or an insignia.

*Please note girls in K-3rd grades must have on PE shorts in order to take their jumpers off for gym class. They may stay in the jumpers for gym class if they desire.

The 5 Most Popular Uniform Violations

Shoes

Shoes are the number one violation seen on a daily basis. For grammar school students, it is usually because there is neon on the shoe or sole, they are canvas, or they are gray. Upper school students usually don't have proper dress shoes. Please consult the shoe guidelines carefully and contact the main office with any questions.

Hair Accessories or "Party on the Head"

Hair feathers, wraps, tinsel, and multi-color ribbons are fun to wear... just not on a school day. Girls may wear plain headbands or hair bands in a solid, neutral color or the school plaid. Please no sparkles, logos, or beading on headbands.

Dark Colored Undergarments under white shirts

We have seen a growing number of girls who wear dark colored camisoles or bras under their white oxfords. Undergarments may not be darker than your skin. Sometimes a dingy white shirt is mistaken for the student wearing something under it. Please keep your whites bleached!

Belt Not Worn

Boys and girls in 3rd-12th grades must wear a belt with their pants. Belts should be solid black or brown and either leather or leather-like (not canvas). Belts in the school plaid are also acceptable.

Jumper & Skirt Length

Jumper and skirts should touch the knee at the beginning of the school year. We understand there may be growth and that toward the end of the year the jumper could be slightly above the knee. If your daughter experiences rapid growth, it may be necessary to replace the jumper or skirt during the year.
